

Dear business owner,

Imagine . . . A bank sending you good news about your business

I am pleased to inform you that Bank of Commerce is participating in the U.S. Treasury's Small Business Lending Fund program. The vitality of our community depends on the strength of businesses like yours. Bank of Commerce is known for its business banking and supporting the growth of local businesses.

We are very excited about this opportunity to partner with your business, assessing your needs for growth and working with you on a lending plan that would support your vision and goals for the future success of your business.

Imagine . . . A bank that makes your small business a priority

Our commitment is to our local community, to fund business loans with preferred fixed rate loans, and to provide education and support on tax incentives as part of the program. All loan decisions are made locally.

Imagine . . . Local lenders that get things done

Our community outreach for small business lending opportunities consists of skilled lenders contacting existing and new businesses on the merits of expansion and job creation. Bank of Commerce is dedicated to small business dreams becoming reality.

Call our skilled lenders today at 530-224-3333, and let's get started.
